

WSU Low Brass Class 2020

Banana Boat Song Class Video Project

Assignment:

Make a video of you playing your part (pdf is on the website). Send it to me by 11:59PM on 5/1.

YOU MUST DO THE FOLLOWING:

- Practice your part ahead of time!!
- Clap loudly right on the downbeat of measure 3. This will make it much easier for me to sync up all the videos.
- Listen to the play along mp3 on headphones while you record. It's playing your parts for you, just play along.

If you don't do the three things above, your video is useless and you'll need to do it again.
